

Create a Database in Cloudant DB

Team ID	PNT2022TMID27888
Project Name	Smart Waste Management System For Metropolitan Cities

Step 1: Launch Dashboard

The screenshot shows the IBM Cloud console interface. The top navigation bar includes the IBM Cloud logo, a search bar, and a user profile. The main content area displays the 'node-red-hsgir-2022--cloudant-1666158384005' resource. The 'Overview' tab is selected, showing deployment details such as CRN, Location (London), and External endpoints. A 'Launch Dashboard' button is visible in the top right corner of the resource details section.

Step 2: Cloudant Database created

The screenshot shows the Cloudant Dashboard interface. The left sidebar contains navigation options like 'All Documents', 'Query', 'Permissions', 'Changes', and 'Design Documents'. The main area displays a table view of the database. A single document is shown with the following details:

id	key	value
ac2c0cdf3e0417e7f9d4eb10430e1108	ac2c0cdf3e0417e7f9d4eb10430e1108	{ "rev": "1-c9a077d559bcb73503858..." }

A notification banner at the top right of the document list states 'Document saved successfully.' The bottom of the interface shows 'Showing document 1 - 1' and 'Documents per page: 20'.

The screenshot displays the IBM Cloudant Databases dashboard. The main content area shows a table titled "Your Databases" with the following data:

Name	Size	# of Docs	Partitioned	Actions
sample	101 bytes	1	No	

The interface includes a sidebar with navigation icons, a top navigation bar with browser tabs, and a bottom status bar with system information.
